Applicant's Signature

Date

The submission of materially false or misleading information on an application form or in connection with the application process shall be grounds for rejection. If such a submission is discovered after entrance into the medical school or award of a degree, it shall be grounds for dismissal or for revocation of the degree.

The George Washington University does not unlawfully discriminate against any person on the basis of race, color, religion, sex, national origin, age, disability, veteran status, sexual orientation, or gender identity or expression. This policy covers all programs, services, policies, and procedures of the University, including admission to educational programs and employment. The University is also subject to the District of Columbia Human Rights Law.

Inquiries concerning the application of this policy and federal laws and regulations concerning discrimination in education or employment programs and activities may be addressed to Susan Kaplan, Associate Vice President for Human Resources, The George Washington University, Rice Hall, Washington, DC 20052 (202) 994-4433, or to the Assistant Secretary for Civil Rights of the Department of Education, the Director of U.S. Equal Employment Opportunity Commission – Washington Field Office. To request disability accommodations, students should contact the Office of Disability Support Services, (202) 994-8250 (TDD/voice), and employees should contact the Office of Equal Employment Activities (202) 994-9656 (voice) or (202) 994-9650 (TDD).

GW is committed to assisting all members of the GW community in providing for their own safety and security. The annual security compliance document is available on the UPD website at <http://www.gwired.gwu.edu/upd/compliance>. If you would like to receive a booklet called "The Pride Brochure" which contains this information, you can stop by the University Police Department at 2033 G Street, NW, Woodhull House, Washington, DC, 20052 or you can request that a copy be mailed to you by calling (202) 994-6948. The website and booklet contain information regarding campus security and personal safety including topics such as: crime prevention, university police law enforcement authority, crime reporting policies, disciplinary procedures and other matters of importance related to security on campus. They also contain information about crime statistics for the three previous calendar years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by GW; and on public property within, or immediately adjacent to and accessible from the campus. This information is required by law and is provided by The George Washington University Police Department.

The George Washington University Medical Center Mission

Working together in our nation's capital, with integrity and resolve, The George Washington University Medical Center is committed to improving the health and well-being of our local, national and global communities.
